Hello Mr. Fisher,

We are approving your facility to open. Our team member will visit your facility in the near future and our expectation is that you:

- keep conducting training one to one
- will follow COVID-19 Safety Protocols
- will conduct business by appointment only and for that you will have proof available at the site
- will not advertise for general public to walk-in without appointments

Should you have any questions, please let me know.

Thank you.
